Narrative: Party at station to speak with officer regarding incident that occurred earlier today.

Narrative: [REDACTED] states in early June he crossed paths with [REDACTED] at Stop and Shop. A few days later [REDACTED] stopped by [REDACTED]'s home to appraise some books for her. While appraising said books [REDACTED] states he came across antique sticks that were believed to once belong to the indigenous Australian people. [REDACTED] was given permission by [REDACTED] to take these sticks in order to research them. Towards the end of June [REDACTED] attempted to make contact with [REDACTED] to return the sticks but had trouble making contact due to phone issues. [REDACTED] attempted to return the sticks to [REDACTED] today but was unable to make contact with her at her residence. Instead, [REDACTED] spoke with [REDACTED]'s son [REDACTED] who stated he would take control of the sticks. [REDACTED] states he was hesitant to give [REDACTED] control of the sticks as he recalls a conversation he had with [REDACTED] in which she stated things had been missing from her home and she suspected [REDACTED]. [REDACTED] mentioned this to [REDACTED] and he became enraged and took the sticks. [REDACTED] then began yelling at [REDACTED] to get off the property. [REDACTED] then left and came to the WPD to report incident.
