Narrative:

RP into station and spoke to Lt Ziemba in reference to a neighbor who keeps trying to steal her cat.

Party back at station to report that her neighbor continues to lock RP's cat in her home, feed cat, put medicine on cat and make false claims that RP is abusing cat.
LT. Zimeba advised of complaint.

Rose calling to report malicious activation of "alarm" outside her doorway w/o her permission that was quickly silenced. Demanded police response to investigate. Advised this would not happen, there were many possibilities for the alarm to briefly activate. Advised to contact housing authority. Party appeared to be very unhappy with the fact that this was not a police or criminal matter.
