Call Taker: CHIEF KYLE J JOHNSON
Location/Address: [WIA 1528] NORTH HOOSAC RD
Narrative:

Wife calling to report that her husband received numerous phone calls two days ago that is most likely a scam and they are looking for advice on how to proceed. Because of how convincing they were he did get scared into giving them his Social Security Number and home address. He did hang up at one point after being on the phone for a long time. Then he said he got a call back and they said they were from the Williamstown Police department. He didn't think that was true because of the accent that they had. There maybe have then been 16 or so calls that he didn't answer because he was teaching.

RP provided information for ID Theft from Mass.Gov and the IRS.

Any advice or places to point us would be great.
